## THIS ISSUE IS DEDICATED TO "THE KING", ARNOLD DANIEL PALMER

1929 DEDICATED TO THE GAME OF GOLF 2016

ESGM PUBLISHER RAY TARANTO AND ARNOLD PALMER AT THE INAUGURAL GREENBRIER CLASSIC

Arnold Daniel Palmer (September 10, 1929 – September 25, 2016) was an American professional golfer who is generally regarded as one of the greatest players in the sport's history. Dating back to 1955, he won numerous events on both the PGA Tour and the circuit now known as PGA Tour Champions. Nicknamed The King, he was one of golf's most popular stars and its most important trailblazer, the first superstar of the sport's television age, which began in the 1950s.

Palmer's social impact on behalf of golf was perhaps unrivaled among fellow professionals; his humble background and plain-spoken popularity helped change the perception of golf as an elite, upper-class pastime to a more populist sport accessible to middle and working classes. Palmer was part of "The Big Three" in golf during the 1960s, along with Jack Nicklaus and Gary Player, who are widely credited with popularizing and commercializing the sport around the world.

In a career that spanned more than six decades, he won 62 PGA Tour titles from 1955 to 1973, placing him at that time behind only Sam Snead and Ben Hogan, and still fifth on the Tour's all-time victory list. He collected seven major titles in a six-plus-year domination, from the 1958 Masters to the 1964 Masters. He also won the PGA Tour Lifetime Achievement Award in 1998, and in 1974 was one of the 13 original inductees into the World Golf Hall of Fame.

# WERE YOU ON THE TOUR?

## 2016 9TH ANNUAL TOUR ON THE SHORE

The Tour on the Shore is an amateur golf series designed for all levels of skill. The Top Gun Division (0-5 handicap) plays from the blue tees and is a gross scoring division, the B flight (6-11 handicap) plays from the blue tees and uses a net scoring with 80% of the player's handicap, the C flight (12-20 handicap) plays the white tees (net scoring) and the maximum score is double par and the D flight (21-36 handicap) net scoring with a maximum score of double par. The Players earn points by finishing in the top fifteen in each event. The 9th annual 2016 Tour on the Shore schedule is complete with 21 tour dates concluding with the top twelve players from each division (48 total players) winning an all-expense paid golf trip to the Bay Creek Resort to compete for the championship. All 48 players will receive a prize package including an Under Armour prize package!

**THE 2016 TOUR ON THE SHORE CHAMPIONSHIP @ THE BAY CREEK RESORT** was another amazing weekend of golf, camaraderie and fun! Both days of competition saw high winds and some higher than average scoring. The ever so steady Phillip Fenstermaker hoisted the championship trophy in the top gun division for the 5th straight year. The B flight was won by the lefty Gary Oliver after a one hole playoff against former champion Jim Webster. The C flight was won by Mickey Fitzmaurice and D flight won by Larry Corkran after a solid 2 days of golf. We would like to thank all of our sponsors, tour players as well as the host courses for their loyal support of the 9th Annual Tour on the Shore! **SEE YOU NEXT YEAR!**

## BAYSIDE CONFERENCE HIGH SCHOOL GOLF

The Bayside Conference's end of the season Championship Match was held Thursday, October 6th on The Man O' War Course at Glen Riddle Golf Club in Berlin, Maryland. The Bayside South Champions, Stephen Decatur High School faced off against The Bayside North Champions, Kent Island High School for an 18 hole round to determine the outright Bayside Champion for 2016. The team from Stephen Decatur came out on top by 15 strokes to claim this year's title.

The District 8 High School Golf Conference is made up of 18 high schools on the Eastern Shore of Maryland. On Monday, October 10th top players from each school competed on the River Marsh Golf Course at the Hyatt Resort in Cambridge, Maryland. Taking top honors as Champions in the District was the 3A/4A classification team from Stephen Decatur High School, who shot a combined score of 322, which earned them a trip to the MPSSAA State Tournament, held at The University of Maryland Golf Course on October 24 - 26. Runner up honors went to the team from Kent Island High School, who shot a team score of 341, which also earned their team a trip to the states. Also advancing to the state tournament as a team was James M. Bennett High School, who shot a team score of 343. In addition to the team qualifiers, several players qualified and will compete as individuals; Jakob Keidel (Parkside), Kyle Littleton (Parkside), Will Rieck (St. Michaels), Jason Deal (Queen Anne's), and Emily Malinowski (Stephen Decatur).

## SARAH LYDIC WINS DRIVE CHIP & PUTT CHAMPIONSHIP @OAKMONT CC, PA

WRITTEN BY GARRETT LYDIC

### ON TO AUGUSTA!

a guided warm up. Sarah and the guided tour was over. Yes the greens are as fast as they say. The clubhouse guide said that the members want all greens including those in the practice areas to all run the same speed – super fast! We then moved to the putting practice green and worked on the 6', 15' and 30' lengths until the driving range opened up for her group. Competitors were invited to the driving range 15 minutes before their scheduled competitions. The driving area was sloped from right to left with shots too far left rolling out of bounds. Sarah was in her zone although the girl next to her was a powerhouse, hitting the balls at least 40 yards farther. Still, Sarah was consistently hitting hers straight at about 160-170 yards.

One parent/coach could be with the competitors during competition. Girls and coaches were called to a meeting just next to the driving completion area and were put in alphabetical order from 1 through 10. Sarah was #4. They stood on their numbers at the driving area with parents and coaches off to the side with no contact. She managed to hit all three of her drives in bounds and earning 30 total points. The number 5 girl (the one next to her during warmups) hit her first shot so far the two spotters had to sprint from Sarah's last drive to get her ball. She was a much bigger girl with amazing swing speed.

After each competitor finished her 3 drives, officials asked the girls to stand on the same number in the chipping area. Sarah was allowed to have Dad with her during the chipping competition. While waiting for her turn, Sarah and Dad discussed the best landing spot for her three chips. Sarah nailed her first chip to within one foot and in her own words, "I just wanted to reproduce the same swing for the next two tries." She earned 40 points in the chip – the most by any of the competitors in her division.

At the completion of the chipping competition, the officials said that the girls would have new numbers for the putting competition based on the results thus far. We kept waiting for Sarah's name to be called but it wasn't until they called #10 that Sarah got to go stand on her number. We figured that this meant Sarah was currently in first place but by how much was anyone's guess. She still needed three good putts.

They called girls out one at a time to take the 6-foot, slightly downhill putt. The first three girls drained their putts with the next few rolling theirs well past the hole. Welcome to Oakmont! This may have caused Sarah to ease up which

left hers just over a foot short, earning 15 out of the possible 25 points. Next they called the girls for the 15 foot, slightly downhill and breaking putt. Again Sarah was short and earned 10 points. Not the start we were hoping for but one putt was still remaining. Sarah was a bit on edge at this point so dad flipped out his phone and found a funny picture he had taken of her getting on the bus for the first week of school. She laughed and forgot about everything for a moment. When practicing putting at home Sarah always tries to get a certain number of 60-point tries simulating the pressure of competition. Earning 75 points is the max if you hole each of your three putts. Getting a 60 is also tough but Sarah gets several of these each practice. Sarah is not done until she gets a certain number of 60's. Before her last shot dad told her that we are not leaving Oakmont until she gets a 60. She laughed and then went out to take her final putt – a 30-foot slightly uphill small breaking putt. She lined it up and went through her pre-shot routine and nearly made the putt earning a total of 45 points for her three putts. Fifteen shy of the 60 she wanted but still a pretty good showing.

We were thrilled she finished strong and with no regrets about any of her shots. She did as well as could be expected under the circumstances. As we made our almost quarter-mile walk up to the clubhouse where the scores would be written and announcements made, Daddy told Sarah that no matter what happened, we were all extremely proud of her journey and her accomplishment and that she would learn a lot from this experience win or lose. It seemed like forever till the results were posted and Sarah earned 1st place and a spot at the National Championships at Augusta National the Sunday before the start of the Masters. While daddy and mommy cried Sarah smiled. Her dream came true. **AUGUSTA—HERE WE COME!!!**

Sarah's experience was written up in two local newspapers.

## UMESUPDATE

### UMES falls short in their bid for a Three-peat at the Mason-Dixon Line Challenge

The fourth annual Mason-Dixon Line Challenge between the PGA Golf Management Programs from UMES and Penn State was held on October 15 and 16 at the Omni Bedford Springs Resort in Bedford, PA. This was the first time that Penn State has hosted this competition.

The Mason-Dixon Line Challenge is a Ryder Cup style format that consists of 12 total matches. Each program is made up of eight PGA Golf Management students from their respective universities. The participants play fourball (best ball of the twosome) on day one for a total of four available points. On day two, the participants go one-on-one and fight for the remaining eight points. This year Penn State squeaked out the narrow victory by one point, 6.5 to 5.5.

"The students look forward to making the team and having a chance to compete in a match play format where they represent themselves, their program, and their university. It is our hope that the participants create lifelong memories, it isn't every student that gets a chance to play in this type of competition and we want the students to embrace the challenge and enjoy the experience", said Chris Prosser, UMES Internship Coordinator.

*"In the end it's all about sportsmanship, respect for the game and each other", added Prosser.*

## THE EASTERN SHORE GOLF HALL OF FAME

was created to recognize those individuals who have been a positive influence to the game of golf here on the Shore.

### SUNDAY, DECEMBER 18<sup>TH</sup>, 2016

The Eastern Shore Golf Hall of Fame committee will induct 5 individuals. The only requirement for nomination to The Hall is to be involved with golf as a player, coach, PGA Professional, sponsor or as a contributor to the golf industry for twenty or more years here on the Eastern Shore. This year's Annual Hall of Fame banquet will be held at Ocean City Golf Club in Berlin, MD, from 4 - 10pm.

Guests of the evening will enjoy an equally unique meal, prepared by 'Off the Hook Restaurant Group', award presentation, PGA Golf Management Scholarship presentation and music.

After receiving many incredible nominations for the 2016 Hall of Fame, our five committee members have selected the following individuals to be inducted at the Hall of Fame ceremony.

**JJ SCHOELLKOPF**  
**HUNT CROSBY**  
**JUDY REMENTER**  
**CHRIS ADKINS**

President, EWGA's Eastern Shore Chapter; 1996, 1997, 1998, 2006, 2007, 2008, 2014, 2015 & 2016

## **LOOKING BACK, WHAT IS THE THING THAT YOU ARE MOST PROUD OF WHEN IT COMES TO YOUR CAREER IN GOLF?**

I am most proud of the growth in our Chapter's membership: from 34, when I first founded our Chapter, to the current 319 members. This has happened through a shared vision. I am proud of our abilities to overcome the difficulties that this vision of an increased membership can cause for a Chapter. It was during my term as membership chair, as we entered the new millennium, that I noted the beginnings of a growth spurt in our county. When I returned to the EWGA Eastern Shore Board in 2004, as Vice President of our Chapter, membership was taking off. I began to get the feeling that our Chapter needed a new vision to carry us on the tide of our growth. When I became President in 2006, I wanted our membership to feel that they were getting a great value and benefit from belonging to EWGA

and especially our Chapter. Therefore, I knew that it was important to create shared visions for our Chapter. After all, research has demonstrated repeatedly that an essential characteristic of good leaders is their ability to mobilize people around a shared vision. I feel you will become what your vision is, and our Chapter has become our vision. We have increased our growth, and we have created great teams to work with our increased membership. Second would be founding the ACS Pink Ribbon Classic events, I chaired the full classic events from 1997-2004 along with chairing the Pink Ribbon golf event 1997-2016. Receiving the EWGA Nancy Oliver Founders award this past April 2016 in Williamsburg, VA. What a wonderful tribute to be honored from the organization that I spent the last 20 years volunteering with and was dedicated to the growth & game of golf in our community. My husband Chuck was very instrumental in supporting me and helping me through all of my accomplishments. I feel that the Lord didn't bless us with children but gave us the vision to give back to our wonderful community, so that is what we set forth to do.

## **WHO WERE THE MOST INFLUENTIAL PERSON/PERSONS THAT PLAYED A PART OF YOUR GOLF CAREER?**

First would be my husband Chuck who introduced me to the game of golf. Next would be Bob Baldassari who had the vision for us to start the EWGA Eastern Shore Chapter which has brought us to where we are today. Bobby Beckelman who was instrumental in helping me with the first ladies golf clinic in order to form our first chapter and has continued to be one of our biggest ambassadors for EWGA Eastern Shore Chapter.

Jill Starr who in 1996 was my EWGA Sectional Director who was my mentor and took me under her wing and guided me to understand the vision of EWGA on a local and national level. Harrison Group for my job as golf director which has allowed me to establish a business relationship with the golf course owners and golf professionals in our community.

**WHAT DOES IT MEAN TO YOU TO BE RECOGNIZED BY YOUR PEERS AND BE INDUCTED INTO THE EASTERN SHORE GOLF HALL OF FAME?** I am very honored to be receiving this award and to be recognized for the 20 years of volunteer service I have done in the golf community.

## **WHAT MAKES THE EASTERN SHORE SUCH A SPECIAL PLACE FOR GOLF?**

We are so privileged to live on the eastern shore surrounded by the most amazing landscape; not to mention what a giving & caring community we live in!

**WHO WOULD PLAY IN YOUR DREAM FOURSOME?** Well what comes to mind right now would be my husband Chuck, one more round of golf with him.

**FAVORITE FOOD:** My family owned a restaurant growing up, so I have a love for all food. Everyone in my family cooks in the kitchen. When we get done preparing and enjoying one meal & cleaning up we're already busy talking about the next meal. We can't help ourselves. It's in our blood!

**FAVORITE TV SHOW:** Love so many shows; HGTV, Food network, Golf Channel

**FAVORITE MOVIE:** Chuck and I enjoyed going to movies. It was our date night, movie & dinner so I have way too many movies to choose from. Our first date was Cape Fear (not my favorite movie). It was good for Chuck since I was so scared he had me in his arms immediately.

**HOBBIES:** Golfing, Skiing, biking, cooking & decorating. Taking care of my sweet boy Bogey, Dog Park, and beach. He loves to swim and would retrieve all day long if he could.

**FAVORITE GOLF COURSE:** Don't have one because there are too many that I love.

**FAVORITE PRO GOLFER:** Phil Mickelson. Isn't he everyone's favorite?

**ANYTHING PEOPLE DON'T KNOW ABOUT YOU?** I'm a very social person and very involved in the community volunteering so I think everyone knows who I am. I live a very open life.

# JUDY REMENTER

Judy grew up in Dover Delaware. She always loved sports and tagged along with her older brother. He always included her in neighborhood ball games and she could usually keep up in the informal baseball, football and basketball games with the older boys. Her first formal athletic competition was winning the Dover Jaycee track sprint championship at the age of 8 years old. Later, as a student at Dover High School she lettered in field hockey, basketball and golf. Judy continued to play basketball and golf at Wesley College. Golf began as a family activity. In fact Judy's best memories were the very first years learning the game. Her dad joined the original 9 hole course Maple Dale Country Club. She remembers attending a junior clinic conducted by Rick McCall Sr. as an introduction to the game. Her dad taught her brother how to play and they played often together, but she was too young and inexperienced to tag along on the course. Judy learned the fundamentals from her dad and brother. Her brother and she spent an entire season playing an imaginary course using wiffle practice balls in their backyard. One of the great things she learned was the wiffle balls flew better launched with a smooth swing than a hard swing. They would "play" the wind to get the ball to fly around the house, punch out low shots under tree limbs, and set the ball on tall grass to loft it over the roof. It was creative and intuitive. Judy caught on quickly and never really got too involved with technique or mechanics. Good grip, good set up, hit it with her hips, swing to the target, these were her keys. When they did go to the course, they would practice putting. She cherished her paddle grip 8808 type flanged blade putter. The result of this year of basic training was great. Playing on a real course with a real ball was different, but she knew how to hit the ball at a target, and never got caught up in hitting for distance. Her brother said she played "sport smart" playing one shot at a time to a specific target, staying away from trouble and focusing on just getting the ball into the hole with the fewest strokes. Her first round score for 18 holes was a 98. A few years later, she became involved in Maple Dale's Junior Golf Program and would go on to win her first Jr. Club Championship at Maple Dale CC.

During her competitive years Judy never hit a driver. She always teed off with a three wood. It was easier to control and keep in play. She could hit her persimmon Powerbilt 3 wood 250 yards with ease, so distance was not a problem, but it was never a goal. During the 1970's Judy Robinson was one of the top women golfers in Delaware. A fact underscored when, prior to Title IX she became the first young lady to play for the Dover High School Men's golf team and later the Wesley College Men's golf team. She learned golf while a member of Maple Dale Country Club from 1972 through 1974, joined Garrison Lake from 1975 through 1978, and Caroline C.C. from 1979 through 1987. She was undefeated in club championship play for a total of 15 years and held ladies course records at each club. She had also set the course record at Hog Neck Golf Club and at Casa De Campo in the Dominion Republic. Golf Digest identified Judy as Delaware's Most Improved Amateur four times from 1974 through 1977 and she was included in the top 150 nationally ranked players in 1975. In 1975 she accomplished the "Eastern Shore Slam" winning the three most prestigious ladies championships at that time: Delaware State Women's Amateur, Women's Peninsula Golf Association Championship and The Ladies Blue Hen Golf Classic all in the same year. The Ladies Blue Hen Golf Classic held at Garrison Lake invited top lady amateurs and at the time was a "downstate" companion championship to the State Amateur traditionally held at a Wilmington area country club. In 1978 she won her second Delaware State Amateur championship and competed in the United States Women's Amateur. While Judy did not pursue tournament competition after this decade of excellence, she was involved in golf course operations at Hunter's Oak Golf Club and Queenstown Harbor. Annapolis magazine sought her out for comment on the future of women's golf in 2007. Judy Robinson's contribution to Eastern Shore Golf was more than mere golfing skill and titles. She brought focus to the potential of ladies golf in Delmarva. She represented equality for women's golf "east of the bay and south of the canal", not as

political statement but as a reality of talent and determination. The banner headline of the front sports page of the Wilmington Evening Journal was simply: Judy, Judy, Judy! The point for Delmarva ladies golf had been made, not by taking shots for attention, but making shots worthy of notice. The Delaware Women's Amateur and one of its champions had risen above all else in sport at that moment. Judy was noticed. She excelled at any sport she played. Rick McCall Sr. encouraged her early development and often said, "Judy was one of the most, naturally talented women golfers I worked with." LPGA member Carrie Russell remembered Judy as both a golfer and basketball player. Carrie was Judy's basketball coach at Dover High. Carol Kelly was her Wesley College basketball coach and agreed with Carrie Russell that Judy was one of the best athletes she ever coached. "She was among the best players in every sport she played. Explain the game, give her the equipment, and she would be excellent." While on a trip to Casa De Campo, Judy and her friends celebrated a day of golf with fine dining experience. When she took her seat, a gentleman next to her at an adjacent table, said; I understand you had a great round today, a score under 70." The gentleman had a picture taken with Judy and autographed her menu. It was a memorable moment. The admiring golf fan was President Richard Nixon. Judy Robinson brought recognition and honor to women's golf in Delmarva. She has a place in the history of the game that is consistent with recognition as a member of the Eastern Shore Golf Hall of Fame. Cancer and the challenges of raising children as a single parent effectively ended all but occasional participation in competitive golf. However, Judy kept close to the game working at Hunters Oak and Queenstown Harbor. Her daughters were both honor students and athletes in high school and college. Both Kristin and Kim played volleyball and softball at Salisbury University. Her youngest Kim has the distinction of being a two time Academic All-American in two sports. Today her challenges and joys are in caring for her two granddaughters, Allyson and Aubrey, and her grandson Carson.

**WHO WAS THE MOST INFLUENTIAL PERSON/ PERSONS THAT PLAYED A PART OF YOUR GOLF CAREER?** My Dad, my brother and Rick McCall Sr.

**WHAT DOES IT MEAN TO YOU TO BE RECOGNIZED BY YOUR PEERS AND BE**

**INDUCTED INTO THE EASTERN SHORE GOLF HALL OF FAME?** To be honored for golfing accomplishments brings back great memories of a very special time in my life. But, most of all, this honor is a recognition and thank you, to the people who believed in me and encouraged me to succeed. It is also a very special gift to my children and grandchildren who were not aware of this aspect of my life.

**WHAT MAKES THE EASTERN SHORE SUCH A SPECIAL PLACE FOR GOLF?** When I began to play most Eastern Shore courses were 9 holes. Today, there are many truly great courses, designed by Hall of Fame architects, offering a diversity playing challenges including, links as well as parkland designs. Yet, the essential quality of Eastern Shore golf is a legacy of friendly enthusiasm for the game. More than competition and prestige, the best aspect of Eastern Shore golf is, as it was years ago, the sincere love for the game among those who live and play here.

**WHO WOULD PLAY IN YOUR DREAM FOURSOME?** To play with my Dad, my brother, and any of the many people who were part of my best golfing years. Unfortunately, many have passed away.

**WHAT MAKES THE EASTERN SHORE SUCH A SPECIAL PLACE FOR GOLF?**

Our geographic location with its weather extremes makes it one of the most changeling areas to grow grass, a little too far north for warm season turf and a little south for cool season turf. The one thing that's predictable is that every year will be different.

Our land may be flat but you can find very challenging golf and some of the best people anywhere.

**LOOKING BACK, WHAT IS THE THING THAT YOU ARE MOST PROUD OF WHEN IT COMES TO YOUR CAREER IN GOLF?**

I have led a weirdly blessed career and a great life because of golf on the Eastern Shore. I have made a decent living for my family for 44 years because of golf and yet I have never applied for a job. Maybe it was just luck, but one of my favorite

sayings is that luck is when preparedness meets opportunity.

Opportunities have always seemed to find me. I have made thousands of friends through golf and have helped many of them enjoy the game by focusing on making the good things in their swings better rather than trying to make them swing like a tour player.

**WHO WAS THE MOST INFLUENTIAL PERSON/PERSONS THAT PLAYED A PART OF YOUR GOLF CAREER?**

Bob Haley, first Head professional at Ocean Pines who I served my apprenticeship under and the many "older" people golf has given me the opportunity to know. I started in business very young and made many friends of members and staff who were retired and much older than me. The wisdom shared by these friends and mentors was, and is, a gift that has had a terribly positive effect on both my career and my life.

**WHAT DOES IT MEAN TO YOU TO BE RECOGNIZED BY YOUR PEERS AND BE INDUCTED INTO THE EASTERN SHORE GOLF HALL OF FAME?**

This is both an honor and very humbling

**WHAT MAKES THE EASTERN SHORE SUCH A SPECIAL PLACE FOR GOLF?**

I have watched and participated in the growth of golf on the Eastern Shore from just a handful of clubs to the dozens that now exist today. This was a very exciting time as golf as an industry has grown and matured.

**WHO WOULD PLAY IN YOUR DREAM FOURSOME?**

My father dragged me to the range when I was a kid every time he went to practice, and I complained all the time about having to go. One day he called my bluff and stopped taking me, which of course only caused me to want to go.

It wasn't till I was older that I learned what every parent knows about reverse psychology, and it wasn't till I was older that I realized that it wasn't about going to the range, but about spending time with him. So I guess my dream foursome really would be a dream twosome since dad has long since passed away. I would give just about anything to play another round with him just to be able to say thanks for the gift of golf that has given me so much.

**FINISH STRONG!** Coaches and athletes are very familiar with this instructive and motivational phrase. Distance runners and sprinters, body builders and synchronized swimmers, running backs, race car drivers and weekend warriors of all ages aim to close out challenges near peak performance. As we enter the final rounds of 2016, let's lean on the research to see how golfers Finish Strong.

**THE PHYSICAL:** Now that we're reaching the end of the competitive season, are you tired at the end of a round? Is fatigue leading to a swing breakdown? Nutrition and hydration before, during and after rounds are critical for success down the stretch. Revisit the conditioning plan you set up to begin 2016. Are you sticking to it? Does it need adjusting to improve strength, cardio, nutrition and flexibility? This process of evaluation will provide valuable feedback for the last drives of 2016 and in preparation for the 2017 season.

**THE MENTAL:** You're in the mix with four holes left. Research says keep doing what your doing - if you joke around or whistle or you're a grinder, stay in the same space and keep the pace. Pressure can cause competitors to change the speed of the game - some slow down and start to play careful, adding waggles and over reading angles. Others speed up to rush away the stress and miss relevant cues. The greats rely on the gains made during practice and allow their skills to pull them through the finish. Finishing strong is a matter of trust.

As we add the finishing touches to a wonderful year of touring the Shore and beyond, remember these words golf gives us to live by: Pick positive targets and swing free.

## Richard A. Henson Cancer Institute is Changing Lives

*Denise Billing, President of the Peninsula Regional Medical Center Foundation, recently received this letter about the Richard A. Henson Cancer Institute.*

I'm writing in hopes you will share this testimonial with the donors who support the Richard A. Henson Cancer Institute through their philanthropy toward the Peninsula Regional Medical Center Foundation.

Your donors need to know how their generosity is changing the lives of people in the most positive ways. Because of their support, they are filling what is oftentimes the most devastating times in many lives with comfort and hope.

When my husband was first diagnosed with advanced cancer, we had not yet celebrated our one-year anniversary (we eventually celebrated that first anniversary with a rush to the Emergency Room of PRMC from Chincoteague, and an overnight stay on the oncology floor, well cared for), and were moving toward transitioning from our very busy jobs and homes that were two hours apart to a life together.

So you can imagine this past June when we received the news of his advanced cancer, that we felt our lives spinning out of control, with our hopes and dreams of all our future plans—our lives together—shattered by cancer.

We quickly re-prioritized everything in our lives, got things in order, and thankfully with an understanding employer, I was able to relocate to Marion, Md. from Easton and telecommute part-time so that we could embrace this journey through cancer together.

Fortunately, we have a great team of medical professionals working together to make this journey not only tolerable, but actually pleasant—surprisingly and thankfully.

From the local oncologist to the National Cancer Institute/Johns Hopkins University's Sidney Kimmel Comprehensive Cancer Center's liver clinic team, an entire community of professionals have rallied from our journey's beginnings as champions of my husband's care. A treatment plan was carefully explained and set to take place at the Henson Cancer Institute at PRMC, for which we are most grateful. He has eight rounds of chemotherapy to complete, sixteen treatments in all. And they are working.

We call it the "chemo lounge," because except for a few IV bags, it feels more like a place to relax and unwind instead of the institutional-like images we all have in our minds when it comes to cancer. The experience includes the kindness and gentleness of each and every staff member we encounter; the nicest wooden rocking chairs in the waiting rooms; peaceful meditation rooms and healing gardens; comfortable recliners and loungers with warm blankets; a healthy lunch is even served. And then there's the special touches—the familiarity gained with your

caregivers and their attentiveness; space for a loved one to join you during treatments; and the way the place is laid out so that you have your own space, with your own headphones, television and place to plug in your phone and connect to the free Wi-Fi.

These special touches and the thoughtfulness behind them—are the salve to our souls and the foundation for healing during these most tender, raw moments of a cancer journey. Your donors need to know their gifts are making tangible differences in the lives of people like us. Every medical professional and every donor who has made a gift to the Richard A. Henson Cancer Institute is changing the cancer experience from one of despair and pain to one of hope and comfort. It is nothing less than inspirational.

Granted, the advanced medical care received at PRMC is the most important part of this cancer journey, and we're grateful for recent advances in cancer treatments and the coordinated care and clinical trials that come with an affiliation to a National Cancer Institute-designated facility. We are especially thankful for the genetic testing, cancer support services, and team approach to all of the care received by my husband. We know we are in the best hands—with treatments and comprehensive care close to home, right here on the Delmarva Peninsula.

Each donor whose name is seen on a building, or garden, or even on a list or plaque at PRMC, has made a difference in our lives and the lives of so many others from all walks of life, because cancer has no bounds. And I know that for staff to be so passionate about their work, you have to give them an excellent workplace to do their best work. At PRMC, we have both.

So, to each and every donor who has supported the PRMC's Cancer Institute and its expansion plans, we are able to have hope, to begin to dream again, and to take comfort in knowing we have a supportive, peaceful place for treatments and care led by an amazing team of professionals who truly are angels (especially Loretta!).

Thank you to the Foundation for your tireless work in asking for every gift, and to every person working at the Institute—and thanks especially to every donor who has answered the call to give—you are making an investment in changing lives for the better, in the most profound ways.

From the bottom of my heart, and the depths of my soul, thank you. You bring comfort and hope to our lives.

Truly yours,  
Tracey F. Johns

## Introducing the Richard A. Henson Cancer Institute at Ocean Pines

The Richard A. Henson Cancer Institute at Peninsula Regional Medical Center offers the most advanced cancer services on the Delmarva Peninsula. Our capabilities have earned us accreditation by the American College of Surgeons, an honor we have earned continuously since 1970. There were more than 1,100 diagnosed cancer patients who received treatment at the Richard A. Henson Cancer Institute in 2015. Of those, nearly 40% reside in Worcester and Sussex County.

Cancer patients are often very sick. Traveling to Salisbury for treatment can be difficult. In fact studies have shown that when individuals must travel more than 25 miles for treatment, patient engagement drops significantly. Cancer patients in Worcester and Sussex Counties often have a commute that is greater than 25 miles.

Currently, medical oncology and infusion services are provided in a small, 4-chair office in Worcester County. Patients undergoing radiation treatments must come to Salisbury, usually on a daily basis for several weeks.

The planned Cancer Institute will provide a full complement of coordinated services: Medical Oncology, Infusion Services, Radiation Oncology, Nutritional Services, Social Work, Patient Coordination, and Support Services, including on-site blood work and PET/CT under one roof.

**PRMC's vision is to provide a  
comprehensive team approach  
to cancer care close to home!**

I am pleased to announce a \$2 Million Matching Gift from the Richard A. Henson Foundation has been pledged in support of the Richard A. Henson Cancer Institute at Ocean Pines. A \$2 million, 5-year Capital Campaign to raise the matching funds has been undertaken by the Peninsula Regional Medical Center Foundation.

This campaign is so important because it benefits vulnerable cancer patients. Services equal to those at the Salisbury campus will be available at Ocean Pines, reducing travel time and inconvenience for the many patients who live in Worcester County and lower Delaware.

## YOU CAN TEACH A 'BULLDOG' NEW TRICKS!

### *Lesson 4... last of 2016*

Here we are at the end of the USGA golf season. November 1st the final scores are accepted into the handicap computer and your off season golf begins! Time to reflect on what Bulldog, beloved Ocean 98 Morning Show host, has accomplished this year and also to set new goals for next year! We began the year with aspirations of getting Dog from a 20 handicap to a 12, pretty lofty expectations. He also wanted to move up from a "D" flight player to the "C" flight in tournament play. We also wanted to break 80 for the first time. I am pleased to report we have reached a season low 13.9 handicap index, moved up to the C flight and shot his season best 83 multiple times. Unfortunately he shot the 83's when he was my opponent rather than my partner, alleviating me of that green paper I try to keep in my wallet. Now comes the time to re-evaluate and set new goals for the upcoming season. I recently added an indoor teach station to the Nutters Crossing location of The "A" Game Golf Academy. This winter we are going to help Bulldog get down to a single digit handicap and move up to the "B" flight. These are incredibly lofty goals and it will take plenty of diligence, but I know how hard Dog will work to achieve his goals. Thank you for following our 2016 progress and looking forward to a great 2017 season!

This project has been without a doubt the biggest eye-opener for me with regard to the game of golf. When we began the season I was a pretty solid bogey golfer. Steve worked on tearing me down and building me back up. There are so many facets of the game that I truly do have a much greater appreciation for not only the pros on tour but the Tour on the Shore players who consistently shoot low scores. Consistency is key. I ran a string of low to mid 80's for several rounds then had a blow up shooting over 100! Yes, it sucks! The one thing it did was totally destroy my confidence. It's a big difference standing over a ball knowing you can hit the green versus standing over a ball and hoping you don't break a window!

I'm going back to work this winter and I WILL get into a single digit handicap in 2017. I WILL break 80 in 2017. And I WILL win a Tour on the Shore trophy in 2017! This all takes a big commitment and I'm all in.

It's been a great season and congratulations to Ray and Holly for everything they have accomplished this season.

Many thanks to Steve Menz for all the time and energy he has spent working with me this season.

Stay on top of everything golf with Ray and Steve Tuesday's & Thursday's on Ocean98 (98.1fm).

## A Round of Struggle By Rob McDonald

It is commonly mentioned that people play golf to “relax”. Sure, doing something that you love to do is relaxing. Enjoying some time spent in beautiful surroundings with your friends, away from the pressures of world is a form of relaxation. If you want to play your best though, you may want to change that approach to the game. If we changed the name of the game of golf to the game of Struggle, we could approach it with an entirely different mind set. The object of golf is to overcome obstacles in the fewest amount of shots possible. The obstacles come in many forms. Some, put in place by the architect are there to purposely challenge your every skill. Tees are aligned away from the center of the fairway

to challenge your alignment skills. Bunkers are strategically placed to test your accuracy as well as your visual perception by having them appear closer to the green than they really are. Water hazards sometimes are positioned in a way to dare you to carry them. Some obstacles are imposed by nature. Wind, cold, heat, rain, all play a role as an obstacle. Some obstacles are self-imposed. Fear of the outcome or placement of importance on the results contribute. It’s a tournament so you try to play perfect golf. If we change the name to Struggle, we might properly prepare our mind for what we are about to undertake. If we get bad bounces or end up in a bunker or hazard, we aren’t upset. It’s part of

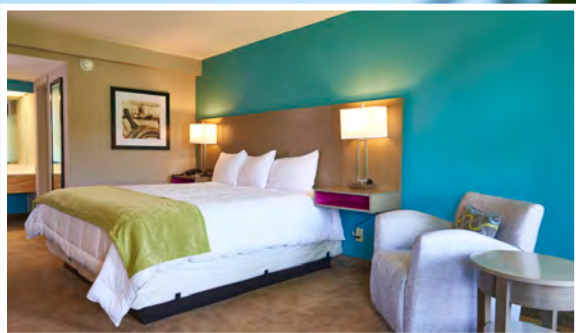

the struggle. It’s the next challenge, in an effort to overcome the obstacles. If we have difficulty with particular obstacles, we work on enhancing our skills in that area to be better prepared the next time we face that challenge. We can battle harden ourselves to go into the game of struggle and overcome the obstacles. When we do come out on top, not just in the over-all round but each individual challenge, it is very rewarding. We have shown ourselves that we can, through practice, perseverance and determination, face the struggles and reap the rewards!

## YOUR PATH TO PAR

Winter rules! The common description of invoking a local rule to permit preferred lies or enabling a player to lift, clean and place the ball when course conditions are considered adverse. Often derided by the purists and typically embraced by the casual player, advocacy for your choice to play or eschew "winter rules" is important to your progress as a player. Certainly the rules give structure to the

game, but the focus is on competition not skill development. To be considered a skillful golfer you must play by the rules. Yet, to develop your golfing skills you should do what helps you acquire the physical ability to make good golf shots unencumbered by impediments to learning.

Learning to play from bad lies is important. The process involves expanding techniques of shot making, understanding club selection options, improving strategic decisions in match, medal or Stapleford play, and maintaining the integrity of your scores and handicap for tournament competition. Learning to determine how various types of grass affect the ball flight and club performance is an art in itself. Whether the ball is in knee deep fescue, on "concrete firm" hardpan, or loose scattered pine needles bad lies are inevitable challenges to your skill and judgement. One key skill is learning to set up to the ball so you do not ground your club. This is beneficial to effective shot making from bad lies and has positive implications for all shots once you develop a tension free address position and the

**RICHARD ROBINSON**  
INSTRUCTOR THE ORIGINAL GOLF SCHOOL

confidence to incorporate this skill into your swing.

Learning to play shots from perfect lies is also important. This is especially true for players seeking to develop better swing technique. Introducing variable lies, never mind, poor lies is detrimental to developing an effective consistent swing. Improve your lie without guilt, until you are consistently striking the ball effectively then progress to more challenging lies. Golf should be fun and progressively challenging, not a masochistic exercise of conformity to dictated expectations. If you consider this view golfing heresy, consider that USGA and PGA tournament course conditions virtually preclude bad lies in fairways due to excellent maintenance, application of ground under repair designation for less than perfect conditions, and yes, "winter rules" or permitting the player to lift, clean and place the ball, when "adverse conditions" exist.

Maximizing your chance to hit solid shots hastens skill development and the enjoyment of the game. So give you self a break in casual rounds and improve your lie if you are working on swing changes or just learning the game. If you are a more advanced player take on the challenges of bad lies. Develop the skill of not grounding you club at address. In general, bad lies require a slightly steeper angle of attack and taking a more lofted club for such shots yield better results. Whether you are improving the lie or playing it down in a casual practice round remember your purpose is to develop a swing that will handle all conditions consistently. Do this well enough and you will see fewer bad lies, as you play more and more shots from the fairway.

## EWGA/EASTERN SHORE CHAPTER 2016 – A VERY SPECIAL YEAR

Over the past 20 years the Eastern Shore Chapter of the Executive Women's Golf Association has benefited from the hard work, dedication, and enthusiasm of 2 very special ladies, Nancy Dofflemeyer and Judy Johnson Schoellkopf.

Nancy founded the chapter in 1996 and with the support of Bob Baldasari, the golf pro from River Run, launched the chapter with just 30 members. She and Judy have continually served on the board throughout the last 20 years. A look at the growth of the chapter demonstrates their success in bringing affordable golfing opportunities to the women on the Eastern Shore at all levels of play.

- 30 members to 330 members
- 1 to 10 leagues
- 1 golf course to playing on 18 local golf courses.
- 1 to multiple clinic opportunities to learn and improve individual golfing skills.

In addition, Nancy is the founder of the Pink Ribbon Classic. From August to November a variety of special events bring the community together with the purpose of raising funds for breast cancer research and programs.

For the past 19 years Nancy and Judy have been dedicated in their support of all the Pink Ribbon Classic Events. Hosted by the Eastern Shore Chapter of the EWGA the Pink

Ribbon Golf Tournament alone has raised over three hundred thousand dollars to help fund breast cancer research. This year's tournament was held on Friday, October 14th at Ocean City Golf Club. One hundred thirteen women played golf, bid on auction items, and raised money to help finish the fight against breast cancer. "We are very grateful to the local community and businesses for their very generous support of this event", said Nancy Dofflemeyer.

### CONGRATULATIONS TO NANCY DOFFLEMYER & JUDY SCHOELLKOPF!

**THIS YEAR NANCY AND JUDY WILL BE INDUCTED INTO THE EASTERN SHORE GOLF HALL OF FAME. THE CEREMONY TAKES PLACE ON SUNDAY, DECEMBER 18TH AT OCEAN CITY GOLF CLUB. ## TOOLS OF THE TRADE

### WINTER SCHMINTER

It's the time of year when golf season is winding down. Players are not getting out as often as they normally will during the summer. Weather starts deteriorating as wind picks up and temperatures drop. Did you know that this could be the best time to make serious changes to your golf swing and become a better player? Making swing changes during the season can be a scary thought. Finding the necessary time to practice what you've learned before you play robs you of some rounds of golf. Wouldn't it be great to make all of these improvements in your game without losing in-season golf? What are your options to keep your golf game sharp and improve your talents during the off season? The "A" Game Golf Academy has the answer. We have built a unique indoor teaching facility. Why is it unique? We have coupled an indoor net system with the BodiTrak pressure mapping system and the V1 Pro Branded Academy Video program. Now you can view your swing, weight transfer and take steps necessary to hit the ball straight, farther and more consistently. It is also the only facility that has the capability to go from an indoor to outdoor in a matter of seconds. Most players aren't wild about hitting off a mat into a net, so we can simply walk out of the door and see how the new changes affect the ball flight. So instead of putting the clubs away for the winter, be good to yourself and make a plan to work at it this winter. Start your 2017 season off in mid-season form!

With the regular season coming to an end 8 teams will enter the 2016 Challenge Cup Playoffs for the opportunity to be crowned the 2016 Champion. The playoffs are made up of 4 division winners and 4 wild cards with the seeds being determined by points earned during the regular season.

Heritage Shores, Bear Trap Dunes, Kings Creek C.C and Rehoboth Beach C.C. were the top 4 seeds winning their respective divisions. Ocean City Yacht Club, Hoopers Landing, Bayside and Wild Quail were the wild cards and the bottom 4 seeds.

The number 1 seed Heritage Shores, team of Will Scarborough & Zac Oakley faced off against the 8th seed Wild Quail, represented by Ricky McCall & Chris Gray at Heritage Shores. Playing at Bear Trap the number 2 seed Bear Trap Dunes, Neil Maurer & Mike Rushin took on Bob Crowther and Greyson Rossi the 7th seed from Bayside Resort. Kevin Wiest and Chris Krueger of Kings Creek C.C the 3 seed played at home against Mike Connor & of 6th seeded Hoopers Landing. The final 1st round match saw 4 seed Pat Mastrain & George Bushby of Rehoboth Beach C.C. take on Buddy Sass and Ashen Ash and 5 seeded Ocean City Yacht club.

Our final four in the 2016 Challenge Cup would match up Wild Quail versus Rehoboth Beach C.C and Bear Trap Dunes versus Kings Creek, a re-match of last years finals. Both matches would stay close until the very end with Wild Quail winning 1 UP and Bear Trap Dunes 2&1. Setting up the 2016 Finals of Ricky McCall and Chris Gray of Wild Quail against Neil Maurer and Mike Rushin of Bear Trap Dunes.

The 2016 Challenge Cup Finals were held at Newport Bay of Ocean City Yacht Club on a very windy day with difficult scoring conditions. Wild Quail played very well and were winners over Bear Trap Dunes 5&3. Congratulations to Ricky McCall and Chris Gray the 2016 Challenge Cup Winners. Well played guy!!

The 2016 Toyota Cup journey to the finals for Wild Quail pros Rick McCall Jr. and Chris Gray was quite a bumpy one. After losing 2 & 1 to Heritage Shores in the regular season opener,

WQ went on to win the next three matches vs. Kings Creek 2, Rookery 1 and Glen Riddle. WQ finished with a

loss to Ocean City. Wild Quail

finished the season at 3-2-1

which was just good enough

to make the playoffs. In the

first round of the playoffs,

WQ had to travel to Heritage

Shores and play Zac Oakley and

Will Scarborough. After a great

opening nine that saw WQ jump to

a 1 up lead which was followed with 2

consecutive birdies on #11 and #12, WQ

was 3 up. The two pros from WQ did just enough to

outlast Heritage Shores 1 up and advance. In the semi-finals

WQ traveled to play George Bushby and Pat Masterson at Rehoboth.

The pros from Rehoboth lead the match the whole day

until a birdie by Chris Gray on the Par 4, 14th hole and a birdie

by Rick McCall on the par 3, 15th hole lead the WQ pro's to a

1 up victory. On to finals where the WQ team was matched up

against an old rival in Neil Maurer and Mike Rushin from Bear

Trap Dunes. This would be the 5th finals match between friends

Rick and Neil. The finals match was played at Ocean City Golf

Club's Newport Bay course. The Bear Trap duo got out to a

quick 1 up lead after a birdie on hole 1 by Neil Maurer. WQ won

back to back holes on #3 and #4 to go 1 up and never looked

back after birdies by Rick McCall on #9 and #11 and a birdie

on #15 by Chris to win the match 5 and 3. This was Rick Mc-

Call Jrs. 7th appearance in the finals while winning the title two

times and this was Chris Gray's first appearance in the finals.

RUNNER UPS BEARTRAP: NEIL MAUER AND MIKE RUSHIN | WINNERS WILD QUAIL: CHRIS GRAY AND RICKY MCCALL JR.

## YOU KNOW THE DRILL

BY STEVE MENZ

### "PUT CREDIT WHERE CREDIT IS DUE"

How many times have you hit it close to the pin, only to miss that pesky 4 foot putt. Here is how to make those short putts become automatic. Start by practicing putts with your glove on. Place a credit card against your lead wrist under the glove. The credit card will remind you to keep the wrist stable through the stroke and gently "remind" you when your shoulders stop and wrists break down. Get the feel and repeat on the course and you can take that to the bank!

We have talked in past articles about general pain management, which in golfers is most often in joints. I'm sure you are all reading about the present problem with overuse of opioids; these are probably not the kind of things golfers would use unless under extreme duress ("got to make that 3 P.M. tee-off time").

One never knows. There are also problems with the overuse of over-the-counter meds. Aspirin can cause stomach irritation, ibuprofen can adversely affect the kidneys, etc. But there is a relatively safe product that is non-prescription that can help. I have been using it for years to prevent joint discomfort, although that is not a big problem for me. It is a supplement called Turmeric containing a compound used in Eurasia for centuries, called curcumin. It, in addition to reducing joint pain, is also a powerful antioxidant, in addition to other benefits. I am not going to belabor the details; they can all be easily accessed on-line. The only drawback I could find is its use in people on blood thinners, so it needs to be checked with your LMD if you are thinking about using it. Certainly it is a lot safer than a lot of other stuff out there, but do yourself a favor and check it out before you consider bigger guns. I am always on the side of things that can provide benefits with minimal risk. Take care. **by: Pete Zemo**

## GOLF ETIQUETTE

### PACE OF PLAY

#### PLAY AT GOOD PACE AND KEEP UP

Players should play at a good pace. It is a group's responsibility to keep up with the group in front. If it loses a clear hole and it is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group.

### LATE ARRIVAL

ONE GOLFER ASKED HIS FRIEND,  
"WHY ARE YOU SO LATE IN ARRIVING  
FOR YOUR TEE TIME?"

HIS FRIEND REPLIED "IT'S SUNDAY AND I HAD  
TO TOSS A COIN BETWEEN GOING TO CHURCH OR  
PLAYING GOLF."

"THAT STILL DOESN'T EXPLAIN YOU BEING LATE."

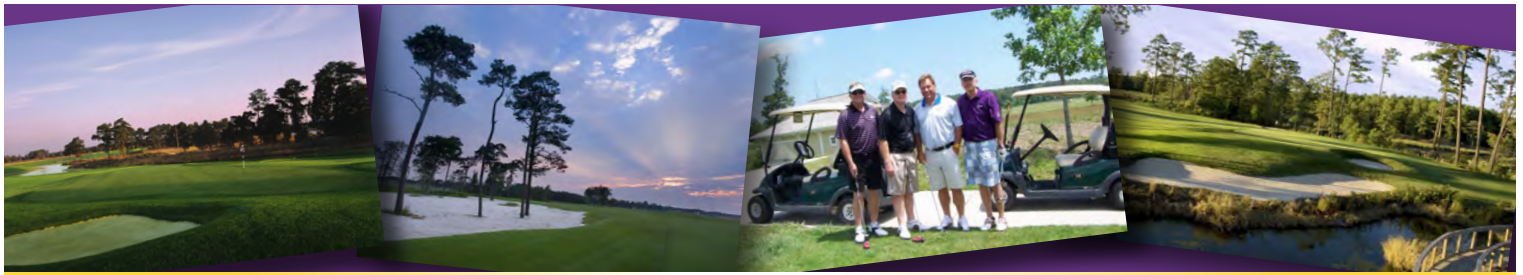

"WELL" SAID THE FELLOW,  
"IT TOOK OVER 25 TOSSES TO GET IT RIGHT!"
