HELD ON SATURDAY, DEC. 2 @OCEAN PINES GOLF CLUB

Area golfers enjoyed golf and holiday cheer at this year's event, which celebrated its 25th anniversary this year, raised over \$9,000 for Big Brothers Big Sisters of the Eastern Shore and collected a variety of gifts for area children in need. This year marks the fifth consecutive year the Santa's Open has been held at Ocean Pines.

Ocean Pines Golf Club PGA Director of Golf John Malinowski was instrumental in bringing the annual tournament to the course. "I had worked with the Santa's Open for several years prior to my coming to Ocean Pines and was excited to bring the event to this course," Malinowski said. "I'm proud of how the Ocean Pines community has rallied around the tournament and Big Brothers Big Sisters of the Eastern Shore year after year."

Presented by title sponsor Delmarva Power, this year's event saw close to 90 golfers and numerous area business participants. Four-person teams competed for first-, second- and third-place low gross; first-, second- and third-place low net and closest to the pin. Awards were presented at a reception ceremony at the Tern Grille at Ocean Pines Golf Club following the tournament.

The team of Ray Wankmiller, Mike Wankmiller, Tim McMahon and Daryl Griffith won first-place gross. Bobby Goroy, Brian Patey, David Bledsoe and Jimmy Sweet won second-place gross and Bill Mears, Jamie Neal, Randy Mears and Zeke Prygocki won third-place gross.

First-place net was won by Jay Graybill, Kenny Reed, Linwood Harmon and Matt Reed. Bryan Clark, George Vogelstang, Joe Sheehy and Neil Baker won second-place net. Third-place net was won by John Allen, Jr., Brandon Phillips, John Petito and Stan Botts.

The closest-to-the-pin contest was won by Steve Lennon, Ray Wankmiller, Tony Hughes and Stan Botts.

YOU KNOW THE DRILL

BY STEVE MENZ

CHECK YOSELF

Here is a quick and free way to see if your clubs fit your swing with a sharpie and an old ball. Draw a thick straight line about an inch or two long on the ball. Place the ball with the line straight up and down so that the face of the club will strike the sharpie line on the ball. Hit the ball and you will see the remnants of the line on the face of your club. If the line is straight up the face, you are all set. If the line points more towards the shaft your club is coming in too upright. If the line is point more towards the toe of the club, your lie angle is too flat.

THE WOMEN'S PENINSULA GOLF ASSOCIATION

The Women's Peninsula Golf Association, an organization of women who like to play golf, was founded on March 9, 1954, with the objective to promote and regulate golfing activities for members having an eighteen-hole certified USGA Handicap Index at a participating club on the DelMarVa Peninsula.

We enjoyed a very successful 2017 golf season and are looking forward to an equally rewarding 2018, beginning with our spring team matches on May 1. Member clubs will field teams of eight women to compete against one another in four divisions, based on the geographic location of the clubs. At the end of the regular season, the gross and net winners from each division will play in semi-final and final play-offs to determine the overall winners for the year. For 2017, Kings Creek won gross and Ocean City won net.

THE WPGA IS COMPRISED OF THE FOLLOWING 23 MEMBER CLUBS LOCATED THROUGHOUT THE PENINSULA:

RICHARD ROBINSON
INSTRUCTOR THE ORIGINAL GOLF SCHOOL

YOUR PATH TO PAR

GOLF IS PARADOXICAL.

You strike down on the ball to get it up. The more muscular effort and tension you exert the more you reduce, accuracy, speed and power. Less is more to lower your score. The “secret skill” in golf is to set aside ego and aspirations and learn to simplify your efforts not magnify them. Learning to do this is best done away from the course. It is the perfect “golf activity” for cold winter months.

Learn to “think inside the box”, when the weather drives you indoors. All golfers engage in three distinct processes in making a shot. First, you determine what you want to do. You calculate the variables and determine club selection and target. Second, you prepare to make the swing to the target. Grip, alignment, ball position, length and tempo of swing are intentions of this phase. Finally, you make the shot. Highly skilled players make the right decisions and preparations almost instinctively when playing well. Tournament players take almost the exact amount of time, typically 25 seconds, to blend these phases on every shot. If circumstances require greater time in any phase the results are usually not good even for the best players. The irony is that recreational golfers are typically required to think about things that are reflexive for the tournament player, simply because the casual player has not practiced and perfected skills to perform them properly without thinking.

This winter take time to practice your set up. Make the process of grip, alignment, posture, ball position automatic. This is a great time to form better habits. If you have been working on technical changes, time spent making the correct technique habitual will improve your game. If you are not making changes focus on being precise and consistent with your existing technique. Define your set up sequence then practice a “check and forget pattern” for each component of the set up. Move purposefully but quickly through each position, check it off and move to the next. This mind set is the same you want throughout the round. Make the shot then forget it and move immediately on to the next challenge and opportunity.

A straight line reference, a line on a carpet, a hardwood floor plank, the edge of a wall, a small box, anything to confirm the clubface alignment is perpendicular to the ball target line is essential to practicing the set up. Set up to the clubface so you can comfortably swing along the ball target line. Even if your technique and position is faulty being consistent it is better than being random and clueless. You can adapt and learn to improve from a consistent starting point.

On the course you will be able to “think inside the box” and “play outside the box”. You will consciously identify the target, make you club selection, and commit to the shot while standing “inside the imaginary box” behind the ball. Once you step out of the box you will move through the set up with an awareness of purpose but not the paralysis of thought. There will be no second guessing. No questions: Is this right? Establish the target line, set up, be confident and comfortable, and then just swing.

On Saturday, December 2, 2017 Eastern Shore Golf Magazine presented the 7th Annual Eastern Shore Golf Hall of Fame Dinner and Induction Event at Ocean City Golf & Yacht Club. Over one hundred and fifty guests enjoyed the culinary delights of Taste Events; the catering division of the Off the Hoof Restaurant Group. The Class of 2017 was an amazing display of the talents, incredible work ethic and philanthropy that is ever present here on the Eastern Shore! These individuals have achieved so much, given so much and continue to inspire us with their passion for the game of golf and people in our community.

Six individuals were honored and celebrated with laughter and tears. The evening began with a cocktail hour, opening remarks from PGA Professional Buddy Sass and Ray Taranto of Eastern Shore Golf Magazine followed by dinner, inductions and the annual scholarship presentation in honor of the inductees.

This year's \$2,000.00 scholarship was presented to James Robinson, a deserving student at the PGA Golf Management Program at the University of Maryland Eastern Shore. To date, the Eastern Shore Golf Hall of Fame has awarded \$13,000.00 in scholarships to the PGA Golf Management Program.

Yips

Mac is having serious trouble putting on the back nine and complains, "I've got a case of the yips. I just can't putt anymore. I've lost my touch. It must be my nerves, or maybe its old age."

Jim, sarcastically replies "Or maybe it's the six pack that you demolished on the front nine."

Mark Turgeon

...is entering his seventh season at the helm of the University of Maryland men's basketball team after leading the Terrapins to their third consecutive NCAA Tournament. Turgeon, who has won 24 or more games in four different seasons with the Terrapins, owns a 388-227 (.631) overall record in 19 seasons as a Division I head coach. He has led three different programs to 12 postseason appearances, which includes the Terps advancing to their first Sweet 16 in 13 years in the 2015-2016 season. Turgeon signed a four-year contract extension through the 2022-23 season on Oct. 27, 2016.

In his first six seasons at Maryland, Turgeon has compiled a 138-67 (.673) record. He recorded the most wins for a head coach in his first five years in program history (114). Turgeon has won 79 games the past three seasons, adding up to the second-most wins in school history over a three-year span. He is the first coach in Maryland history to lead the Terps to three 24-plus regular season-win seasons. Turgeon also had the Terrapins ranked in the Associated Press top-25 for 36 consecutive weeks, including 20 weeks in the top-10. Maryland had previously not been ranked in the top-10 since Feb. 3, 2003, a span of 12 seasons.

Under Turgeon, Maryland has also thrived in its first three seasons as members of the Big Ten Conference, earning three top-3 finishes and compiling a 38-16 (.703) conference record. Turgeon's teams boast a 22-5 home record in conference play, including a perfect 9-0 mark in its inaugural season. He was named the 2015 Big Ten Coach of the Year.

Since taking over the program in 2011-12, Turgeon's Terrapins have amassed a 90-18 (.833) home record overall, marking the best home winning percentage by a coach in school history. Under his direction, Maryland recorded the most consecutive wins at home in program history (27) from Dec. 6, 2015 - Feb. 13, 2016.

Turgeon has led the Terrapins to a 30-11 record through their first 41 Big Ten games, becoming the fastest Big Ten coach to reach 30 conference wins since former Illinois

mentor Bruce Weber guided the Illini to 30 victories in his first 35 conference games at the helm during the 2003-04 and 2004-05 campaigns and the first three conference games of the 2005-06 season.

Turgeon has led his teams to a winning season in 16 of his 19 seasons, including a current streak of 15 consecutive winning seasons. The Terps won 27 or more games in back-to-back seasons for the first time in program history during the 2014-15 and 2015-16 campaigns.

In 2016-17, Turgeon led Maryland to a 24-9 record, an impressive 11-2 mark away from XFINITY Center and its aforementioned third consecutive trip to the NCAA Tournament. With a 20-2

record through 22 games in 2016-17, Turgeon topped the 1998-99 squad for the best regular season start in program history. Additionally, Turgeon was instrumental in the development of three-time All-Big Ten guard Melo Trimble, who became one of just four players to post 1,600 points, 400 assists and 150 steals at Maryland.

Under Turgeon's direction the 2015-16 team finished with 27 victories and opened the regular season with a 15-1 record – the best start in program history. Maryland featured five All-Big Ten performers, including guard Melo Trimble (Second Team All-Big Ten) who was also named to the Associated Press Honorable Mention All-America Team. Center Diamond Stone was a Third Team All-Big Ten selection and was named Associated Press Big Ten Newcomer of the Year. Forwards Jake Layman and Robert Carter, Jr., as well as guard Rasheed Sulaimon each earned Honorable Mention All-Big Ten honors.

Maryland posted victories over five teams that advanced to the 2016 NCAA Tournament. In addition, the Terrapins also defeated rival Georgetown in a monumental game played on the College Park campus for the first time in four decades.

Maryland, ranked No. 18 in the Associated Press and No. 12 in the USA Today/ESPN Coaches poll, finished 27-9, marking the first time in program history the Terps have put together back-to-back 27-plus win seasons. Maryland's 4-0 start in conference play marked the best start since 1996-97.

The Terrapins also led the Big Ten and ranked fifth nationally in attendance in 2015-16, averaging 17,863 fans per game.

Maryland posted a school-record 26 wins during the regular season in 2014-15 and notched 28 total, an eight-game improvement from its 17 victories during the 2013-14 season. The 11-game win total was the second-highest improvement among all Power Five schools. Maryland also advanced to the third round of the NCAA Tournament.

The Terps finished their inaugural season

in the Big Ten with an aforementioned 9-0 home record, which included victories against then-No. 5 Wisconsin, Michigan State and Indiana. Overall, Maryland concluded with an 18-1 home mark at XFINITY Center.

Maryland's 14-1 record in 2014-15 marked its best start in 18 years (1996-97). Turgeon posted 25 or more wins in a season for the fourth time in his career.

Since arriving in College Park, Turgeon has signed five consecutive nationally-ranked recruiting classes, including a top-10 class in 2016. He played a lead role in signing center Diamond Stone (Milwaukee, Wisc.) – a McDonald's All-American who was one of the highest-rated recruits to sign with the Terps in program history.

Under Turgeon, the men's basketball team posted its highest single year APR score of a perfect 1,000 in 2012-13 and has also graduated all 11 of his student-athletes who have exhausted their eligibility at Maryland.

In 2013, he captured his 300th career victory with an 85-74 defeat of Tulsa on Dec. 29, before leading the Terps to a thrilling overtime win against No. 5 Virginia in Maryland's final ACC regular season game.

Turgeon's winning percentage of .600 (42-28) was the best mark by a Maryland coach in his first two seasons, ahead of Bud Millikan (.592) and Gary Williams (.574). After bringing in a top-15 recruiting class in 2012, he led the Terrapins to a 25-13 record (most wins in six seasons) and appearances in the ACC Tournament semifinals and the NIT semifinals in 2012-13.

Turgeon directed Maryland to three wins over a ranked team in 2012-13 after Maryland had gone two seasons without one. The Terps were the only team in the nation to beat Duke twice, while also knocking off then-14th ranked NC State at home in January. Maryland's win over Duke at home on Feb. 16 was its first over a No. 1 ranked opponent in five years.

Turgeon, who came to College Park after directing Texas A&M to four consecutive appearances in the NCAA Tournament, led Maryland to a 17-15 record in 2011-12. At A&M, he posted a 97-40 record in four seasons and was named the Big 12 Conference Coach of the Year in both 2010 and 2011. He is the only coach in Big 12 history with at least 24 victories in each of

his four seasons.

In seven years at Wichita State, he built the Shockers into a power in the Missouri Valley Conference, earning the league title and an NCAA Sweet Sixteen appearance in 2006. In that NCAA Tournament, Wichita State beat Seton Hall and Tennessee before losing to eventual Final Four participant George Mason.

Turgeon has developed eight former players into the NBA: Gal Mekel (formerly of the Dallas Mavericks and New Orleans Pelicans), Donald Sloan (Washington Wizards), Khriston Middleton (Milwaukee Bucks), DeAndre Jordan (Los Angeles Clippers), Alex Len (Phoenix Suns), Jake Layman (Portland Trailblazers), Diamond Stone (Chicago Bulls) and Melo Trimble (Minnesota Timberwolves). Len was selected in the first round (fifth overall) by the Suns in the 2013 NBA Draft while Stone and Layman were both picked up in the second round of the 2016 NBA Draft. In addition, Dez Wells (Oklahoma City Blue) and Rasheed Sulaimon (Greensboro Swarm) played in the NBA D-League in 2016-17.

Turgeon amassed a 128-89 record at Wichita State (2000-07), posting the third-most wins in school history. The Shockers advanced to three straight NITs from 2003 to 2005 in addition to the 2006 NAAs, the first time WSU had four straight postseason appearances in 40 years.

He began his head-coaching career at Jacksonville State, going 17-11 in his final season there (1999-2000) after going 8-18 in his first year.

Turgeon was an assistant at Kansas for five seasons, first under Larry Brown (1987-88) and then under Roy Williams (1988-92). The Jayhawks made the NCAA Tournament in four of those seasons, winning the national championship in 1988 and finishing second in 1991. KU also won Big Eight titles in 1991 and 1992 with Turgeon on staff.

He was the top assistant under Jerry Green at Oregon from 1992-97 and was an assistant coach under Brown with the Philadelphia 76ers in 1997-98 before taking the head coaching position at Jacksonville State.

A point guard at Kansas from 1984-87, Turgeon was the first player in Jayhawks history to play in four straight NCAA Tournaments. KU went 108-33 under Brown in that stretch. Turgeon served

as team captain in his junior and senior seasons, leading the Jayhawks to the 1986 NCAA Final Four.

As a student-athlete, he was selected to the Big Eight All-Academic Team in 1986 and was a Big Eight All-Freshman pick in 1984. He earned a bachelor of science degree in personnel administration from Kansas in 1987.

A native of Topeka, Kan., Turgeon led Hayden High School to back-to-back Class 4A state titles in 1982 and 1983, earning all-tournament honors each year. A first team all-state pick as a senior, Hayden went 47-3 in his high-school career.

In the summer of 2008, Turgeon was inducted into the Topeka Sports Hall of Fame. He was also honored as the 2015 Kansan of the Year in June, 2015.

Additionally, Turgeon was selected as a court coach for the USA Basketball Pan-American Team in preparation for the Pan-Am Games in the summer of 2015. The following year, Turgeon served as an assistant coach for USA Basketball's Under 18 Team, working with head coach Shaka Smart and assistant coach Kevin Ollie, in helping guide the squad to a gold medal. On June 13, 2016, he was named to the National Association of Basketball Coaches (NABC) ad hoc committee on NCAA men's basketball tournament selection, seeding and bracketing.

Turgeon is active in the College Park community and has hosted the Coaches vs. Cancer Season Tip-Off Breakfast in conjunction with the American Cancer Society and the National Association of Basketball Coaches for five years. Over the past three seasons, Turgeon worked with the Infinity Coaches Charity Challenge to raise money and awareness for the Alzheimer's Association. In addition, Turgeon and his team worked with the Special Olympics of Maryland and hosted a basketball clinic for athletes in the organization along with inviting them to home games during the 2015-16 and 2016-17 seasons. Turgeon also participated in the Special Olympics Relay Across America carrying the Flame for Hope through the College Park campus in 2016.

Turgeon ("TURGE-in") is married to the former Ann Fowler of Chicago, Ill., and they have two sons - William (Will) and Leo - and a daughter, Ella.

TOOLS OF THE TRADE

BY STEVE MENZ

TOPGOLF

Growing the game of golf has been the main challenge of most golf professionals for the last decade. We are constantly thinking of new ways to introduce this great game to new potential players. Recently I took a trip with 4 buddies to Top Golf for the first time. I had heard about this unique driving range and couldn't wait to check it out. Basically they have combined golf with darts. Each target is surrounded by a dart board like grid. The closer you hit it to the flag, the more points you get. They offer a variety of different challenges. Along with the golf they offer a full table service food and beverage. The 5 of us played a few games and had copious f&b for 3 hours all for the very reasonable price of around \$20/hr per person. I found it a great value. While the golf instructor in me noticed every split grip and unique swat, I couldn't help but notice that Top Golf has hit the mark. The amount of people that had very little or no golf experience hitting balls and having fun that day simply amazed me. Inexperienced newbie to OCD golf freak ratio was at least 3 to 1. So BRAVO Top Golf, you have become one of the most important tools of the trade in the golf industry. Thank you for introducing the game to so many potential new golfers! Rant over! **PEACE!**

The 5th Annual Mio Fratello Customer Appreciation Golf Tournament was a great success with over 90 golfers enjoying a day of fun and great food including steaks and Maryland crab cakes! We are now well into the cold and flu season, and I am sure you all know the wisdom of getting your flu shot. A lot of people don't do this (for whatever reason). Of course, you all know there is no cure for colds, but I have recently read some articles that have suggested things one can do to maximize your immune system so that whatever you pick up may be less severe or even prevented. The first of these is the use of probiotics; these strengthen the bacteria in your G.I. tract which has been long shown to improve immunity. Some other things that have been suggested that I and others have tried is the use of a supplement called N-acetylcysteine (non-prescription) that is a precursor of glutathione, a potent antioxidant and the use of an old-fashioned substance called elderberry syrup, also over the counter. You can do your own research online, but these things may go a long way to minimizing symptoms of upper respiratory tract infections. They are not meant to be cures but seem to have been shown to help you get better faster, should you acquire a U.R.I. Good luck.

GOLF PSYCHOLOGY - GET YOUR HEAD IN THE GAME

CARSON LOVETT, MA SPORT PSYCHOLOGY

IT'S A NEW YEAR; TIME FOR NEW GOALS. THE SEASONS CHANGE AND ADVANCES IN SPORT GROW BY LEAPS AND BOUNDS, BUT ONE ELEMENT OF SUCCESS REMAINS THE SAME - THE CRITICAL RELATIONSHIP BETWEEN A PROPER BASELINE ASSESSMENT AND GOAL ATTAINMENT. SO, LET'S REVIEW 2017 TO KICKSTART 2018.

Step1. Start with the highlights. What were the greatest achievements, memorable moments and amazing shots? Relive the year's best performances, take notes on how you conquered those stages and make a point to revisit them often.

Step2. Fill the middle with facts. What did I want to accomplish? Was my plan of attack aligned with my desired outcomes? Where is there room for improvement?

Step3. Focus on the finish. Visualize where you want to be when this year ends. List your performance and results-centered goals and what you need to do to reach your potential. Be specific for each of the following categories: Physical and Mental Fitness, Driving, Fairway Shots, Pitch Shots, Bunker Shots, Chipping, Putting, and overall Course Management.

Step4. Transfer. The art of success lies in being able to take the lessons learned and skills developed on the practice range to the course. Now that you've done the requisite work, commit to the program, activate the plan, trust the process, and evaluate along the way. And if you feel the need for help, do what the top golfers do - talk with a Game Coach - the discussion may be just what it takes to make this year better than ever!

2018. I am ready.

Sawyer Brockstedt finished third at the Doral Publix, held on the Red Course at Doral, December 18-19. She played very well posting a first round 34 (par 35) and a second round 38 for a total of 72 in the Girls 10-11 division. This is the second year in a row she was in the last group for the final round. Last year you may remember she finished T4. This year, her two round score of 72 tied for second place but she lost in a match of cards — thus the official third place finish. You can find more info about the event, which has a large international field and is very well run, at the website for the First Tee of Miami.

FALSE START By Rob McDonald

You're almost there, but something is just a little off. The ball striking is not as solid as it was the last time out, so the distance and accuracy aren't there either. Your swing feels the same so what's the problem?

It could be you're getting off to a false start. I've mentioned often about the core muscles, your inner body creating the take away. As false start is when you think you are turning from the inner body but in actuality, your upper arms and shoulders are making the first move. A shoulder turn is not the same as a coil from the inner body. Your shoulders are just the narrow, upper portion of the upper body and can move independent of the inner body. When you are starting with the upper arms or shoulders, it becomes more difficult to make a complete turn behind the ball. When this happens, your arms are already behind you as you begin the forward swing and your hands and club have to play catch-up. This is where the inconsistent, less solid ball striking happens.

To get back to your core creating the coil, without a club, just relax your arms and bring them into your chest. Set your feet firmly to the ground, knees inward and feel your back muscles twist against that connection to the ground until your shoulders are between your feet, perpendicular to the stance line. This should feel different than what you were feeling with the club for your swing. It should feel well inside your upper body. Now with your club, set up and let a breath out to soften your arms and shoulders and feel the same inner body coil. Let your arms take a ride.

This should help you recover from the false starts and get back on target!

15 MINUTES

TO MORE CONSISTENT PUTTING

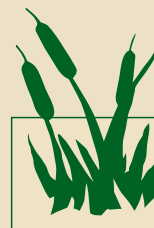

When a student comes to me for help with their putting I know they have lost some consistency in the way they roll the ball. I typically start each lesson with this 15 minute practice routine to ensure the student is working on getting a more consistent roll off the putter face.

◆ **1ST 5MINUTES** ◆ For a right handed golfer hold the putter with just the left hand and hit putts at no particular target. Ensure that the backside of the left hand is moving past the lead (left) leg as you hit putts. If not, the wrist is breaking down and adding loft to the putter, which will kill consistency. Ideally you want the left hand and wrist to stay flat and move towards the target. This will keep the putter face square producing a true roll.

◆ **2ND 5MINUTES** ◆ Grip the putter with both hands and again roll putts at no particular target. Now as you hit putts again ensure that your lead hand (left hand for right handed golfer) is moving past your lead leg as you hit putts. If you're able to do this you will notice two things: one, the left hand and wrist will be flat and two, the right hand/wrist should be cupped.

◆ **3RD 5MINUTES** ◆ Now pick out a hole to roll some putts toward. I would suggest a relatively straight 6-8 foot putt. Use what you've worked on the first ten minutes to try and make some putts. Notice that your lead hand will control the direction the ball will go. If you're able to put this all together I guarantee you will see a bunch of these putts go in!

Obviously being able to control your speed and reading greens are very important but this is the first step to better putting. I hope this tip helps you make more putts. For more like it, visit us at the Heritage Shores Facebook page.

2017 Jones Cup and Fall Graduates

The PGA of America once again hosted the 16th Annual Jones Cup. This year's event was played on the Wannamaker Course at PGA Village in Port St. Lucie, FL. This event is a 36 hole competition between all 18 of the PGA Golf Management Programs. Each program enters a five person team and each day of the competition the low four scores are counted to the team total. "This is a fantastic tournament and the students all try to make the team. We make an experience out of the trip by stopping to play on the way down to Florida and on the way back. This year we met up with one of our alum that works in the St. Augustine area and we played The Palencia Club. On the way back we played Santee National Golf Club in Santee, SC. This is also a great networking tool for the team members as they have a chance to interact with students from other programs" said Chris Prosser, UMES Internship Coordinator.

2017 UMES Jones Cup Team

Student Name	Round 1	Round 2	Total
Andy Hewitt	83	82	165
Tiana Jones	79	81	160
Tyler McElroy	84	76	160
Blair Waters	76	79	155
Bryce Young	76	74	150

This year we tied for 12th place with Clemson University with a team total of 624.

On December 15, 2017, the UMES PGA Golf Management Program graduated two students, Tiana Jones and Nick Karis.

"It is always hard to see our students leave the program, but we wish them nothing but the best and know that they each have a great future ahead of them in the golf industry as PGA members", said Prosser.

Jones, leaves the program as a very accomplished player. She made the Jones Cup team in each of her four years helping UMES to their best finish ever at 3rd place in 2014. She is also a three time Player of the Year Cropper Cup winner.

Karis, came to the program with little playing experience but is a very good athlete. He passes the PGA's Playing Ability Test only two years into the program which is a huge accomplishment for a student that had only been playing golf for three years.

Prosser stated, "We are very proud of both of these graduates".

THE 2017 TOYOTA CHALLENGE CUP saw the addition of some new faces this year with the amount teams increasing from 16 to 18. Broken down into 3 divisions Bayside (1), The Bay Club, Peninsula, The Rookery (2), Kings Creek (2) and Ocean Pines made up the South Division. The North Division would consist of The Rookery (1), Wild Quail, Maple Dale, RBCC (2), Bear Trap (1), and Bayside (2). Our final division the East Division included Heritage Shores, Kings Creek (1), Bear Trap (2), Glen Riddle, RBCC (1), and Baywood Greens.

After the 2017 Regular season was complete 8 teams were left standing to compete in the playoffs. The playoff teams are determined by the 3 winners of their respective divisions earning the top 3 seeds with the final 5 seeds being wild cards rewarded to the teams with the best record for the season. Round 1 would match #1 RBCC (2) vs. #8 Heritage Shores, #2 Kings Creek (1) vs. #7 Bear Trap (1), #3 Bayside vs. #6 Peninsula, #4 RBCC (1) vs #5 Bayside (2). With Round 1 in the books we saw an upset in each of the 4 matches based on seeding proving once again that what is on paper isn't the determining factor and that's why they play the games. Round 2 of the playoffs would pit #7 Heritage Shores vs #5 Bayside (2) and #7 Bear Trap vs #6 Peninsula. Keeping with the trend of Round 1 both higher seeds continued their winning ways creating a 2015 Finals Rematch of Neil Maurer and Mike Rushin of Bear Trap Dunes playing against Brooks Massey and Will Scarborough of Heritage Shoes.

Played at Bayside Resort, the 2017 Toyota Challenge Cup Finals were treated to cooler temperatures and a little bit of wind, conditions for Bear Trap Dunes and Heritage Shores were difficult. Conditions didn't deter Bear Trap from coming out with a fast start going 3 up after 3 holes. Over the next 3 holes teams matched each other shot for shot until #7 when Heritage Shores was able to make a solid par and get things back to 2 Down. Only to see Neil pick up a birdie on #10 to take the match back to 3 Up in favor of Bear Trap. Will Scarborough from Heritage Shores was able to answer right back with a birdie on #11 keeping the match in reach at 2 down through 11 holes. Another birdie from Neil on the par 3 13th once again extended Bear Trap's lead to 3 with only 5 holes to go Heritage Shores would need to hit some great shots to keep the match alive and on the par 5 14th

Will delivered hitting a 3 wood on to the green in 2 setting up an eagle putt. With Brooks Massey on the green with a good look at birdie and both Neil and Mike missing the green in regulation Heritage Shores was in good shape on 14. Until Mike delivered his own fantastic shot chipping in for birdie just off the green making Will's eagle a must make. Catching just the bottom lip of the cup Will's attempted at eagle was missed and the match moved to 15 with Bear Trap remaining 3 Up. After a solid iron from Neil onto the middle of the green both Will and Brooks were forced to get up and down or hope for Neil to miss a 5 footer to extend the match. In the position before this was nothing new to Neil that dropped in his par putt on 15 ending the match at 4&3. Congratulations to Neil Maurer and Mike Rushin your 2017 Toyota Challenge Cup Champions. BY GREYSON ROSSI
